How to Ride

Waiting for the Bus

- Arrive at the bus stop at least 5 minutes early.
- Each bus stop sign is identified with the route name. When waiting for the bus, stand at the nearest bus stop sign.
- Each bus is identified by the route name located on the top front of the bus. Do not approach the bus until it has come to a complete stop.
- Rider buses are equipped with automated voice and text messaging making stops easily identifiable.

Entering Rider Vehicles

- Enter through the front door of Rider buses.
- Pay the fare with exact change, Rider Bus Pass or present your Transfer Pass.
- If you need to get a Transfer Pass for the next Rider bus, please get it from the driver as you board the bus.

Exiting Rider Vehicles

- Exit from the rear door when leaving a Rider bus. This minor effort allows boarding passengers to use the front door and helps to keep the bus on schedule.
- Persons with disabilities should exit at the front of the bus which is curb level.
